At last a Jack n' Jill competition in Switzerland

→ Jack n' Jill is a SOCIAL competition... All levels dance together, and one does NOT dance with his OWN partner, but with a random one on each dance... the only target is to lead correctly for men and follow correctly for women... Usually it's not the best level dancers that win, but those for whom the magic of the dance was the best... This is the most wonderful experience, and is open to ALL public!!! Subscription can be done at last minute... or by mail at info@kdanse.ch (look at last page) !!!

**Competitions start at 20h30... Public
competitors audition at 19h00...**
